

Introduction

Washingborough Hall Hotel is a beautiful Grade II listed early Georgian Manor House set in three acres of mature garden in the heart of Washingborough Village. Just 2 miles east from the centre of the City of Lincoln, it is the perfect place to stay whether you are visiting for business or leisure you will be well fed, well wined and very well looked after.

Wherever possible we aim to use locally sourced ingredients from local suppliers and herbs from our own herb garden. The chef is always delighted to tailor a menu to suit any dietary requirements that may be needed during your stay.

We have 20 bedrooms, 14 of which are situated over 3 floors in the main Hall, 6 are situated in Church House also over 3 floors, each bedroom is decked out in its own unique style and boasts the chic feel of a luxury hotel. Please see the section on Bedrooms for more details.

We look forward to welcoming you, if you have any queries or require any assistance please call 01522 790340 or email enquiries@washingboroughhall.com

Pre-Arrival

For full details and maps of how to reach Washingborough Hall Hotel, please see the directions section on our website, on our 'contact' page and then 'Location'.

By Car: Using Satellite Navigation the postcode is LN4 1EH will lead you to our driveway.

By Train: The nearest railway station is Lincoln Central which is 3.3miles away (approx. 10-minute car journey depending on traffic). Taxis and accessible taxi are available at the station.

By Bus: The central bus depot is approximately a 5-minute walk from the train station. The Number 2 Bus runs every 20 minutes from 7am until 7pm; this will drop you off at the bottom of Church Hill which is approx. 0.3 miles (a 6-minute walk), Church Hill is quite a steep hill but has very good even footpaths.

Car Parking & Arrival

The driveway is gravelled from the main entrance all the way to the car park and to the front of the Hotel. There are approximately 35 parking spaces in the main car park approximately 50 meters from the entrance. There is a flagstone path that runs around the side and front of the Hotel, the path to the side is on a slight incline. The main driveway, Car Park and the front and side hotel entrances are all well-lit. CCTV is in operation at all times.

Disabled parking is available; we have 2 car parking spaces. One is at the front of the Hotel on the right-hand side against the flagstone path just before the main entrance. The other is on the left-hand side as you are approaching the main car park, next to The Winston Room against the flagstone path. The allotted car parking spaces can be accessed from either direction to ensure access from either side of the vehicle.

You can also be dropped off directly outside the front of the Hotel. The flagstone path has a low kerb of approximately 6cm.

There are 6 steps leading to the main entrance door with a hand rail on the right-hand side, the main door is 130cm wide which is pinned back until 22.00 hours. This is then locked and there is a key code pad to gain access. There is then a double pull door with a total width of 160cm, each door measures 80cm.

There are two alternative entrances from the car park which gives access to the main reception area on a flat surface.

The best is via The Winston Room, there is a flagstone path which leads up to the double pull doors. This doorway is 133cm wide, each door measures 66cm wide, this leads into the Winston hallway which has a Single pull door measuring 97cm wide. There is level wooden flooring which runs through the Winston room to another door measuring 97cm wide which leads into the Galley, the Galley doors measure a total of 103cm wide, each door is 51.5cm, they lead out into the carpeted reception hallway.

If the Winston room is in use the alternative route would be via the rear Kitchen. Again, from the Car Park at the back of the building is a path with a hand rail on the right-hand side, the width of this

path is 107cm wide. The back door is 90cm wide which takes you into our pot wash area, all this flooring is covered with Altro Polysafe flooring. There are 2 further doors both measuring 80cm wide which then takes you into The Galley. The Galley doors measure a total of 103cm wide, each door is 51.5cm, and they lead out into the carpeted reception hallway.

All our Doors can be pinned back for ease of access throughout the building.

Reception Hallway

Guests are welcomed into the Reception Hallway which has a level floor throughout. The first 250cm of flooring are some beautiful flagstones which then lead onto the rest of the area being carpeted. Seating is available in the Reception Hallway with 2 Sofa's and 4 Upright arm chairs.

The Reception Hallway is evenly and well lit, with natural light coming from the front doors and also the tall Georgian window behind the reception desk. There are 2 chandeliers from the ceiling with 12 separate lights on each and 5 lamps situated around the reception area.

The reception desk measures 70cm high. Assistance with luggage is available upon request and we are also happy to give our guests a tour of the hotel and where various facilities are located when checking in.

There are 5 doors from the Reception Hallway leading to the following: The Sibthorpe Room, door width 135cm, The Dining Room, door width 95cm, The Bar, door width 130cm, The Galley, door width 103cm and the Main Staircase, door width 90cm, this area has all level short pile carpet flooring throughout.

Main Staircase

The main staircase is well lit, using wall lights and natural daylight. The stairs are covered with a short pile carpet. The main staircase going upstairs has a hand rail on the right-hand side and the width of the staircase measures 114cm wide. The steps are unusually shallow measuring approximately 10cm each. There are 15 steps up to the first landing; there is a pull door on the right-hand side which leads to Rooms 15 & 16. Once through the door there are 5 more steps with a hand rail on the left-hand side. Rooms 16 & 15 are then on the right-hand side.

From the first landing there are 14 steps to the second landing, with a pull door 80cm wide at the top, once through the door to the left are Rooms 17 & 18. An open-door way measuring 100cm wide leads to a corridor 80cm wide with Room 18 on the right-hand side and Room 17 in front. From the pull door on the second landing turn right to Room 19 & 20, there is an open-door way 94cm wide and Room 20 is in front and Room 19 on the left.

An archway measuring 138cm wide takes you to more rooms on the second landing, to the left is a corridor 85cm wide which leads to Room 23 on the right. From the archway there are 2 steps up onto a small landing the width is 100cm, there is a small table on the right-hand side with a table lamp. There are 2 steps down; on the left is Room 21, in front is Room 22 and to the right is Room 26 (also known as The Ingleby Room). The Main staircase second landing has 12 steps which lead up to the third landing. At the top of the landing is a small table with a table lamp on and a pull door 75cm wide, once through the door turn left which leads to one more step down, this has a low ceiling height which measures approximately 180cm high, there are 2 chairs and a small table in this hallway, Rooms 24 & 25 are on the right-hand side. The right-hand side of the main staircase from reception leads to some public areas, there is a sideboard on the right-hand side and the corridor measures 150cm wide, this leads to a pull door 75cm wide. Once through the door on the left-hand side is a door to the Gentlemen's Lavatories and on the right-hand side is a push door 80cm wide, this leads into a corridor 203 cm wide, with 2 doors on the right, the first door leads into the Snug and Bar and the second door the Ladies Powder Room. There is a small staircase in front which leads up to Rooms 15, 16, 24 & 25.

The main stairwell has 15 steps down which measures 94cm wide and a hand rail on the left-hand side. On the left-hand side is Room 14, on the right-hand side is Room 12 and in front is doorway measuring 87cm wide leading to The Burland Room, there is also a lamp on a small lamp stand.

The door to Church house corridor is 53cm wide leading to a short corridor, the next door entering Church House proper is 53cm wide. All hallways are carpeted. The first room on the left is Room 11, the door is 82cm, the second room on the right is Room 10, the door to this room is 82cm wide. Room 10 also has a private entrance leading to a terrace, so the guest can access the room with out coming through the main hotel, there is access to the main carpark through the staff car park- all areas in the car parks are gravelled- the terrace and the path leading to the carparks are flagstones.

The last room on the ground floor of Church House is Room 9, the door is 82cm wide- this room also has direct access to the terrace- the door within the room is a Fire Exit so cannot be accessed from the outside. On the ground floor is a small reception area with a Fire Exit leading to the shared flag stoned terrace. Up 12 quite steep steps are Room 8 & 7, access to room 6 is on the first landing- through the door there is a winding stair case which branches to the left & right. 5 steps to branch point- 8 steps to the left leads to the bedroom, 7 steps to the right takes you to the shower & WC room.
