WEDDINGS WITH LOVE

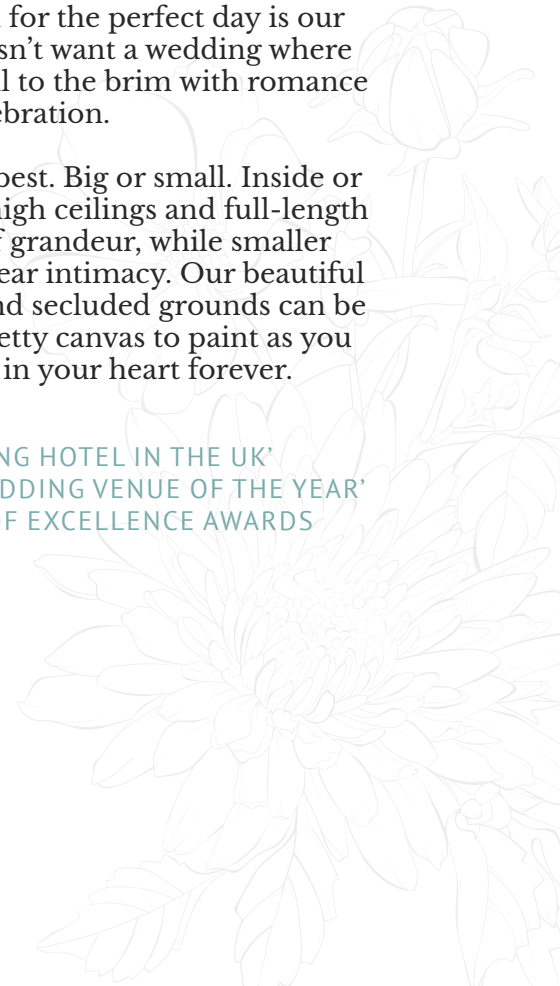

YOUR WEDDING WITH LOVE

Washingborough Hall. Where every wedding is with love, for love. We even have our own director of romance. Your passion for the perfect day is our delight. After all, who doesn't want a wedding where everyone is welling up - full to the brim with romance and celebration.

Weddings are what we do best. Big or small. Inside or out. Landscaped gardens, high ceilings and full-length windows give feelings of grandeur, while smaller rooms and pretty nooks, near intimacy. Our beautiful Georgian country house and secluded grounds can be yours for the day. Your pretty canvas to paint as you please and hold deep in your heart forever.

FOOD & DRINK

“If music be the food of love, play on...” Like good music, great food is an acquired taste but once sampled you can’t go back.

At Washingborough Hall you’ll want our chef to play on, course after course. Local produce, seasonal and served fresh from farm to fork. Your guests will thank you for an incredible dining experience.

As a former cordon bleu chef, our director of romance works closely with our head chef, developing innovative and utterly delicious Spring/Summer and Autumn/Winter wedding menus, to simplify your choice.

In the warmer months, choose from Twice-Baked Mozzarella or Seared Salmon Fillet with Fennel to Braised Blade of Beef with Dauphinoise Potatoes or Pan Roast Fillet of Cod and Celeriac Mash, for when the nights draw in.
